SENIORS

The last years of high school presents a senior with many varied and enjoyable activities. The cheerful memories of our senior year will always be with us, senior portraits, crazy day, senior banquet, and graduation. But above all, our fondest memories will be of the friends we made during our high school years. Spending the last cherished moments with soon departed classmates causes us to ponder upon each of these experiences with a happy but somber mood.

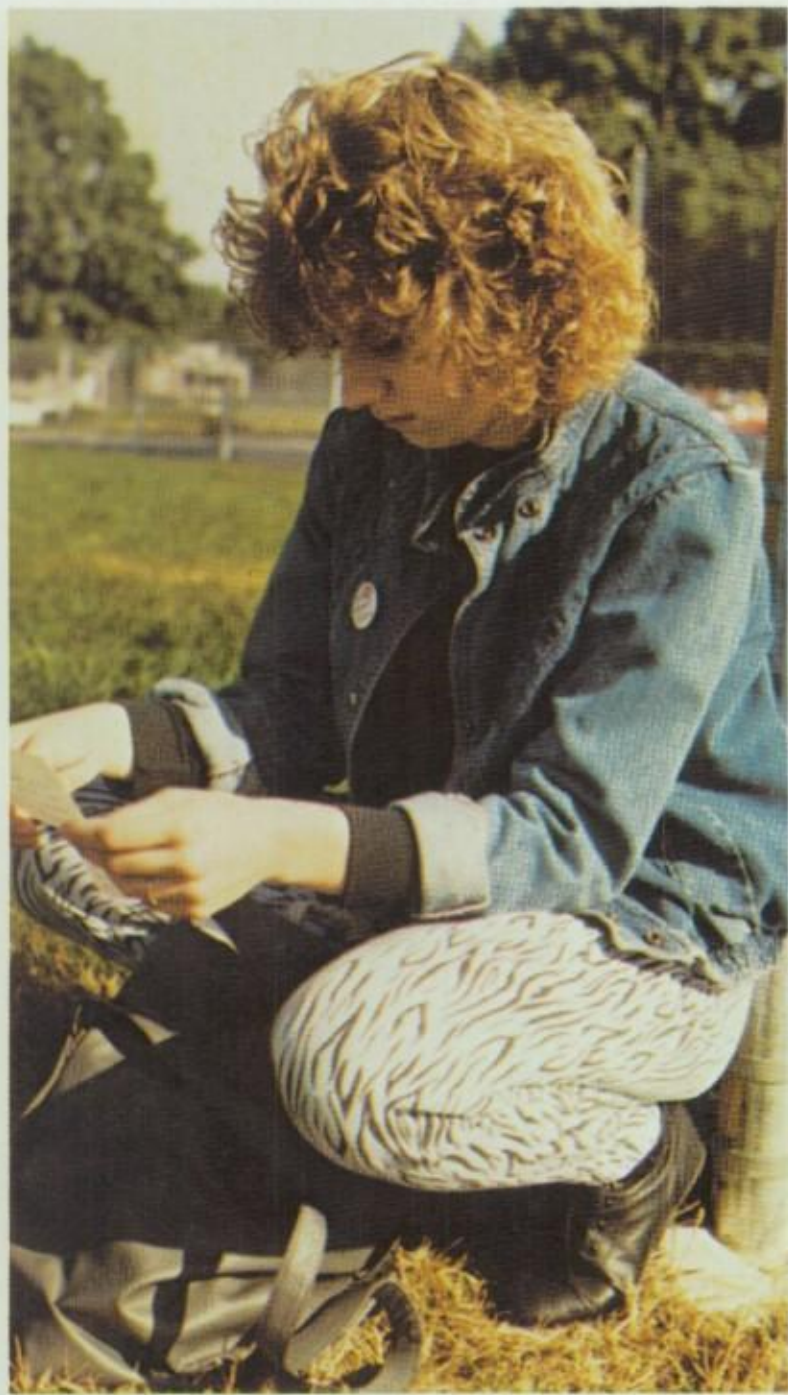

As we read the following lyrics, let us reflect on those past bonds of friendship which have brought us so much happiness and enjoyment. **Keep Smilin, Keep Shinin, Knowin you can always count on me, for sure, "That's what friends are for!"**

FRIENDS

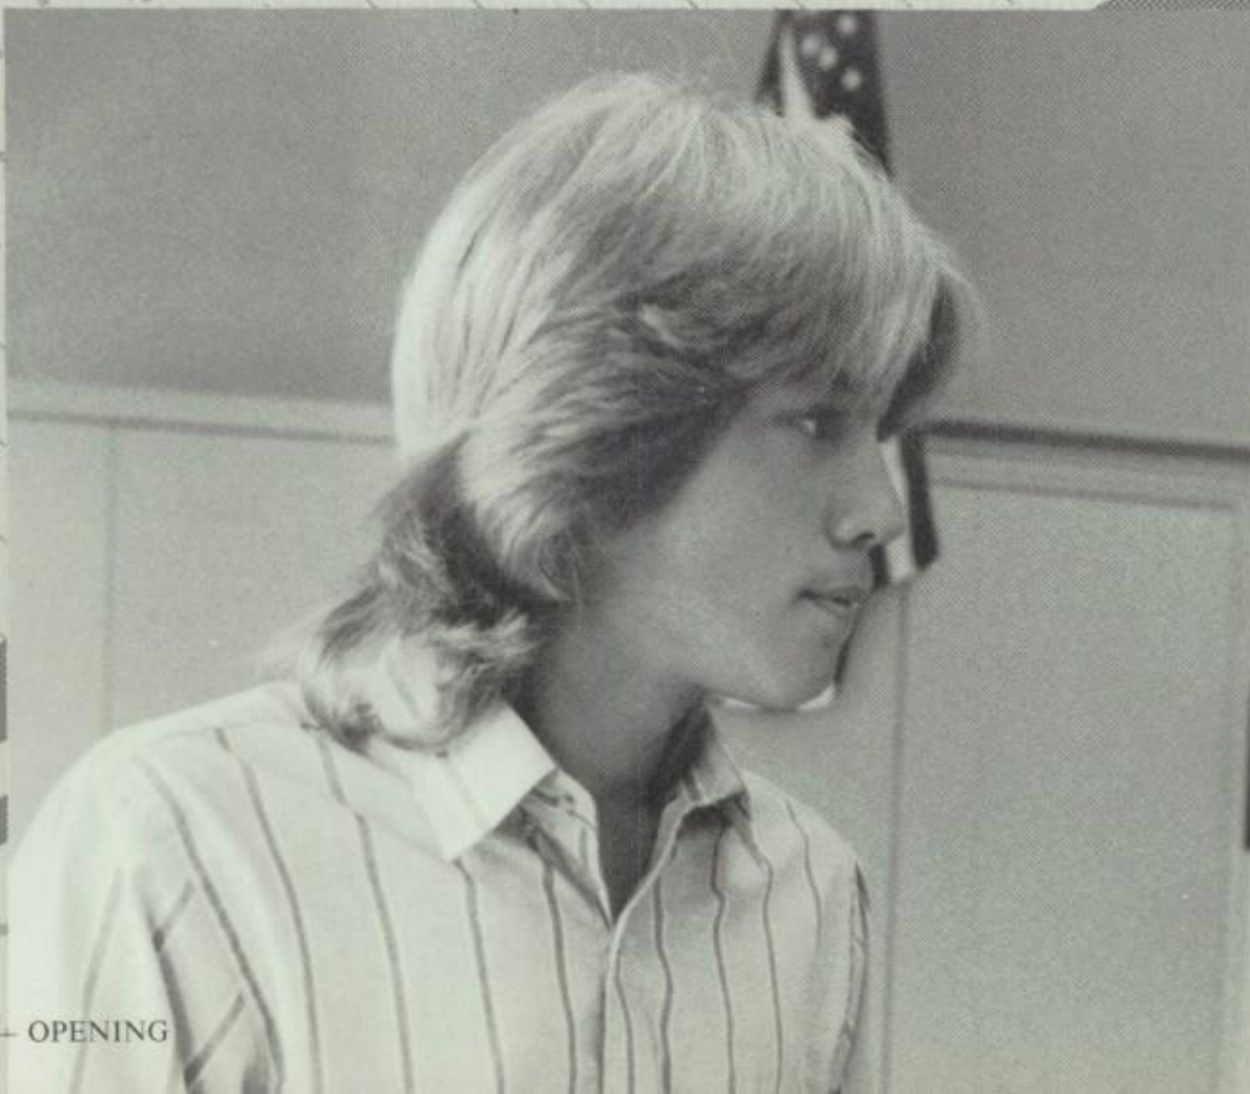

**IN GOOD TIMES
AND BAD TIMES,
I'LL BE ON YOUR SIDE,
FOREVER MORE.
THAT'S WHAT
FRIENDS ARE FOR.**

Give 'Em A "P"

Our High School, you will be
forever,
A guiding light that shines for
all.

We'll back you everyone together,
With you we'll stand with you
we'll fall.

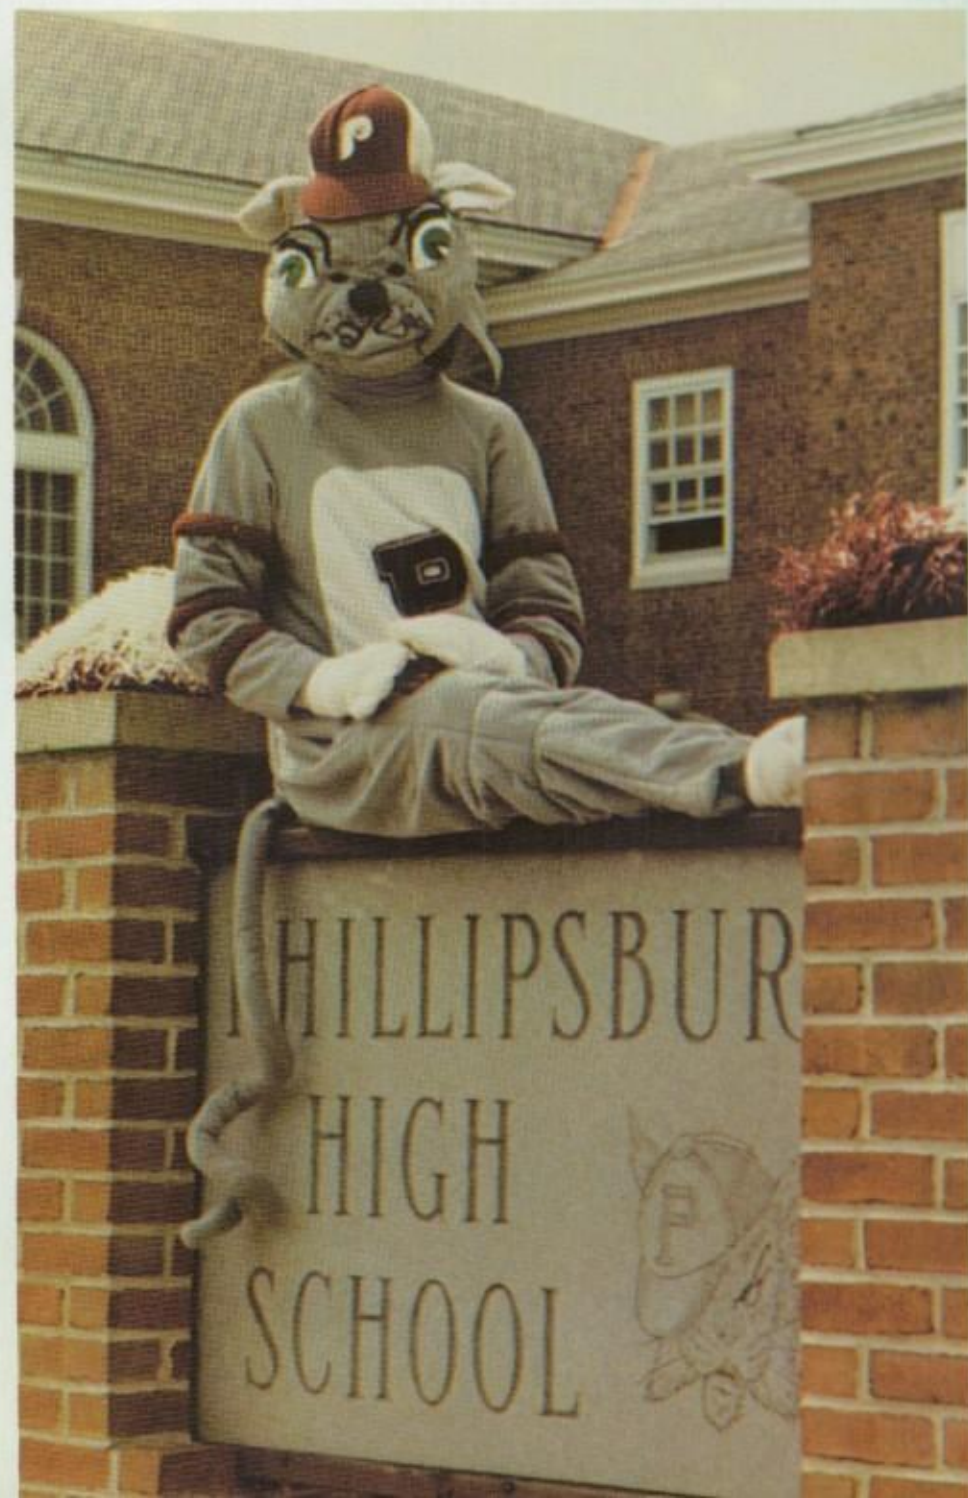

Loyal we'll be to you always.
And when our banner waves on
high,

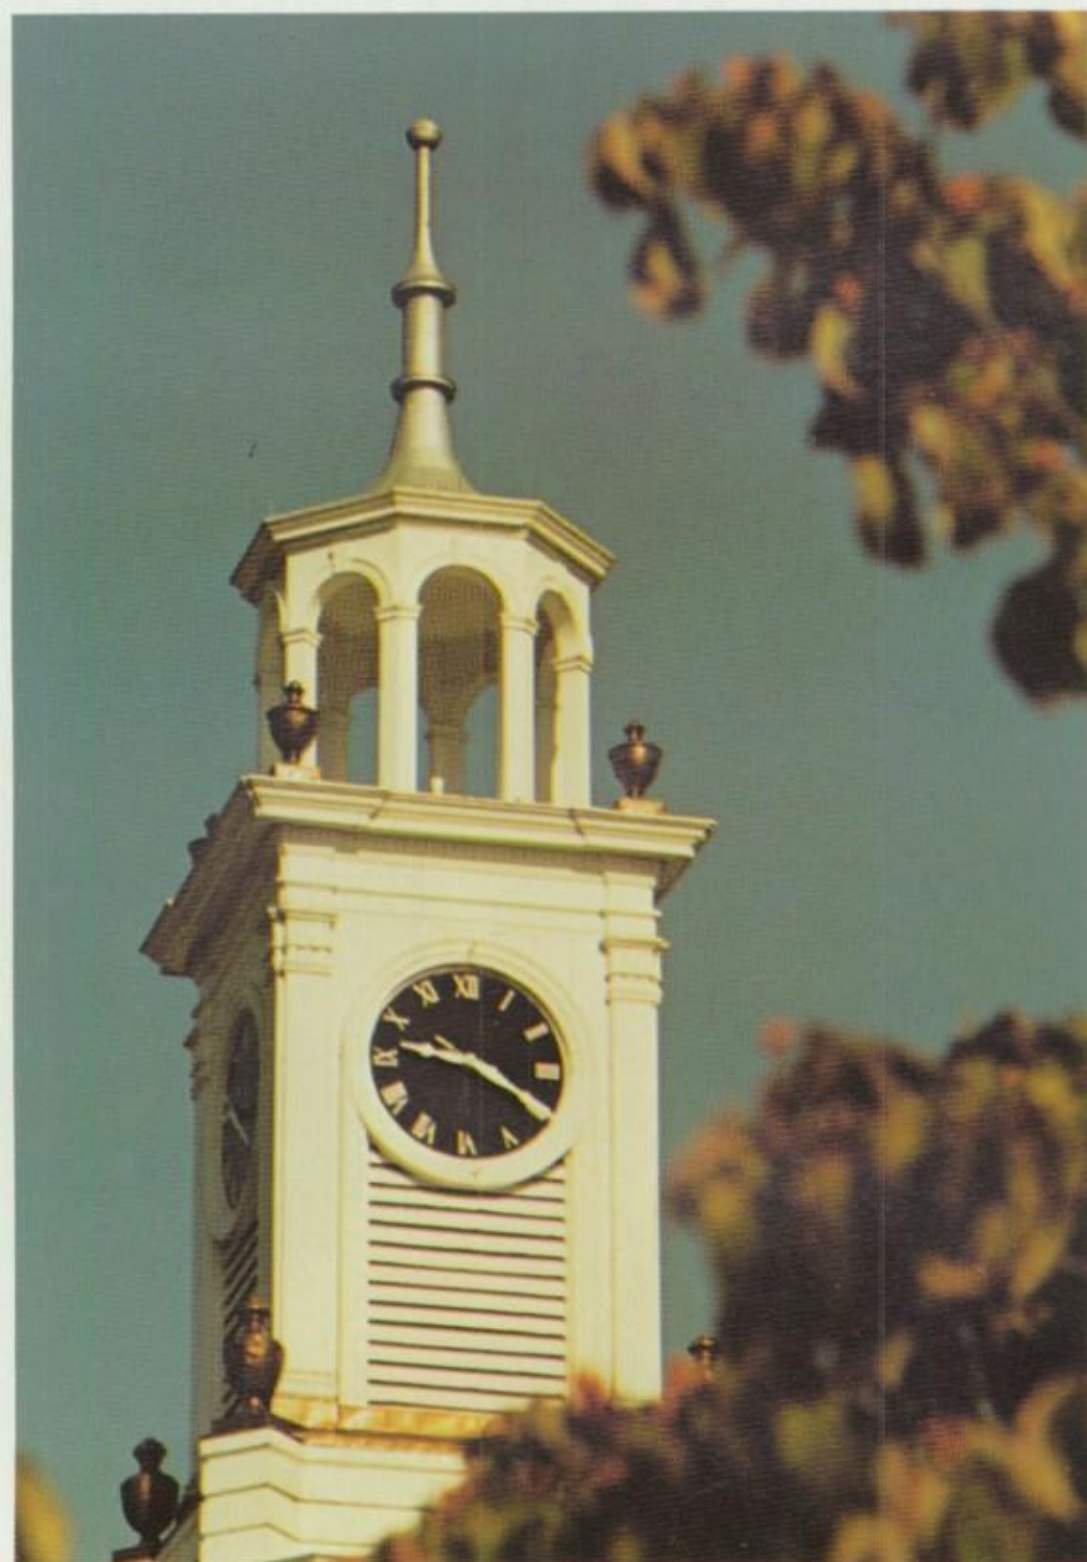

We'll sound our cheers; ringing
loud and clear

And be steadfast to P'burg High.

Student Life

LET THE
GAMES
BEGIN

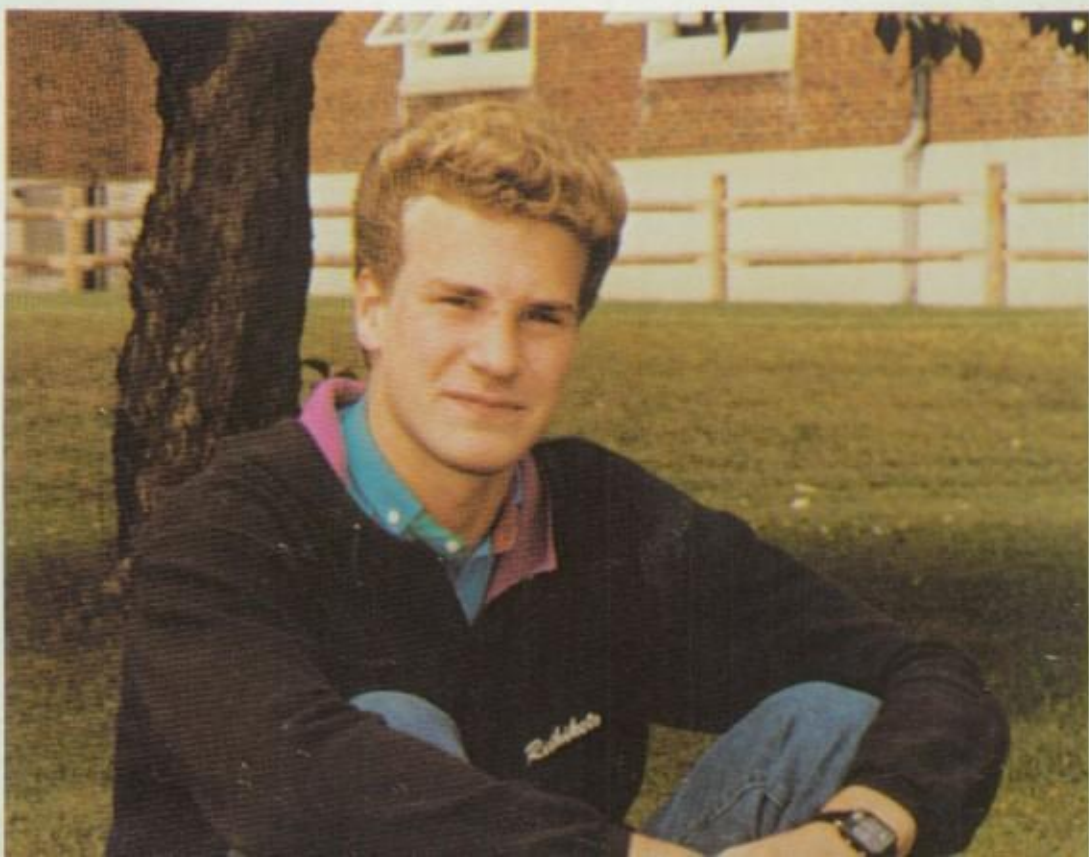

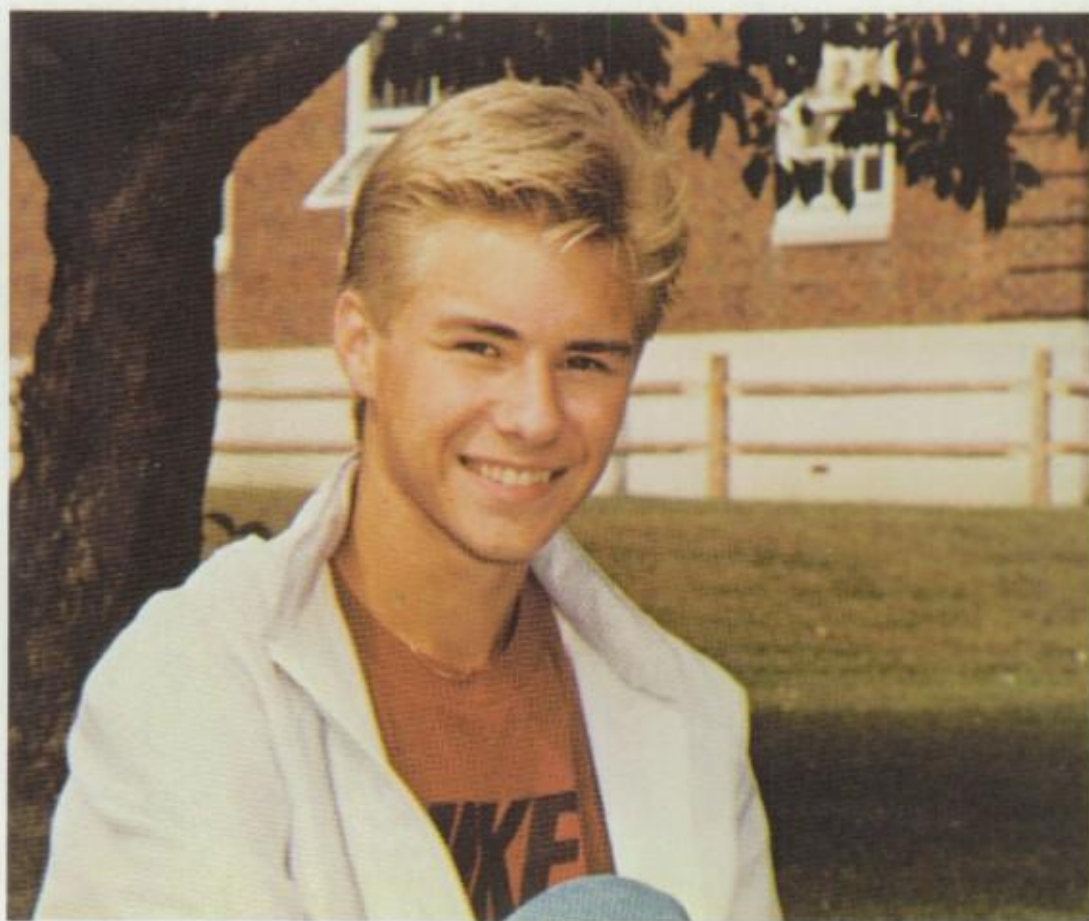

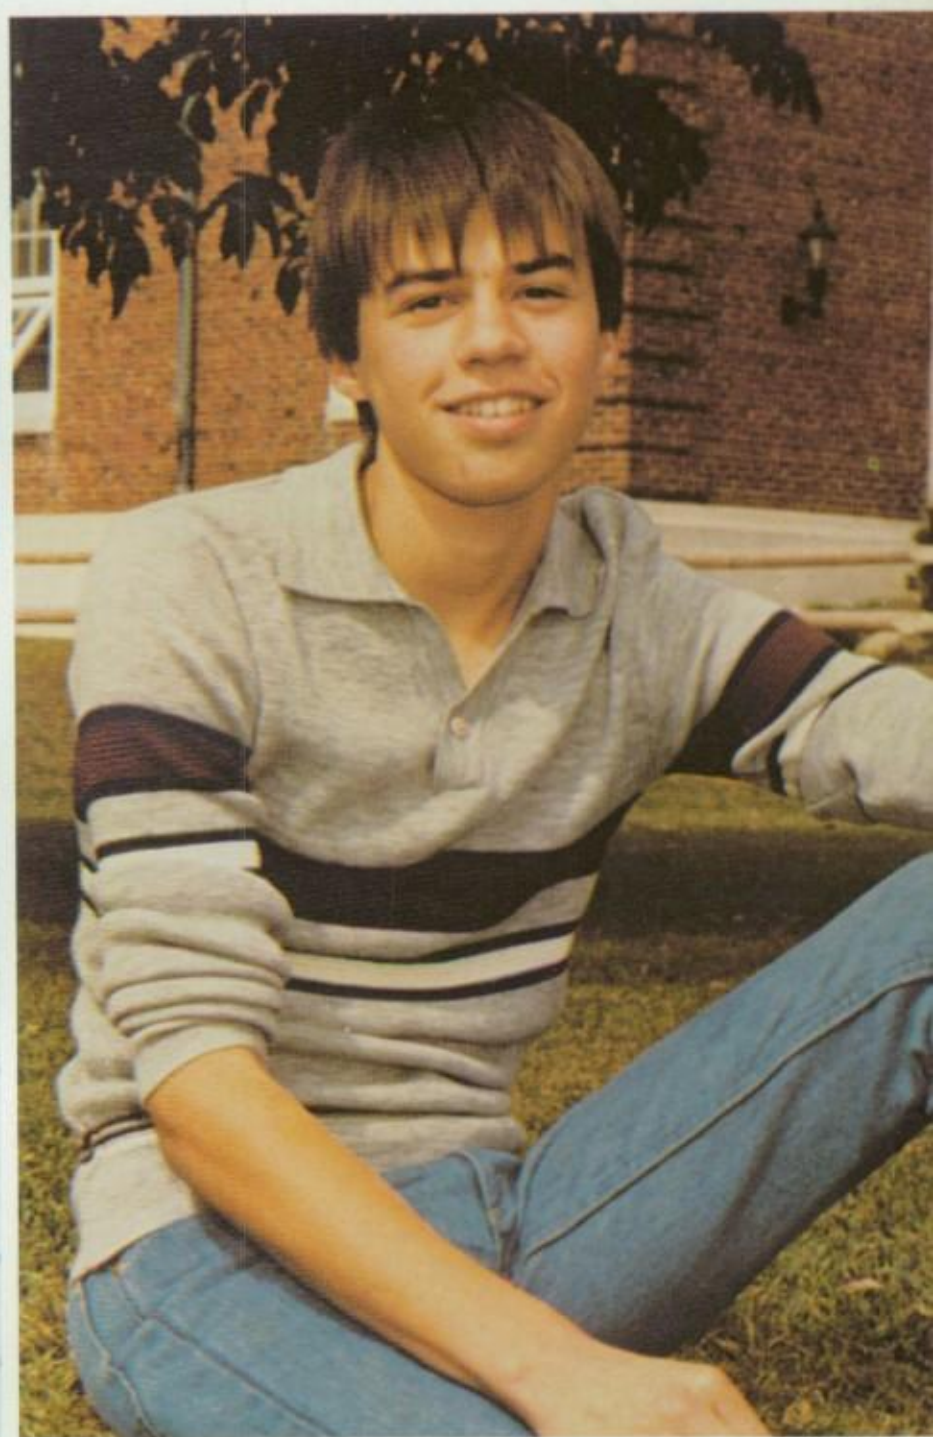

And they're off . . . Throughout the year, the Student Council of Phillipsburg High School busily readies itself for The Almost Anything Goes Competition. Since its beginning, three years ago, this event has grown in popularity involving a great majority of the school as well as the community.

The event consists of two rounds. Team Captains are selected and teams, comprised of members of the same class, compete for top scoring in their class. The winners of each class participate in the final round against the three other classes and a faculty team. The events include The Dolly Chain Race, Inner Tube Toss, Tug of War, Hubby off To Work, Blindman Quarterback, and The Grand Relay.

Last year, the New Jersey Association of Student Councils awarded the Phillipsburg High School Student Council the prestigious honor of having one of the Top Ten Projects in the state with The Almost Anything Goes Event.

WELCOME TO AMERICA

Phillipsburg High School would like
to extend a warm welcome to you. Best
of luck to all of you!

BACK TO CLASS

Each year, after a long, fun-filled, but sometimes boring, summer, the students of PHS return to witness the start of a brand-new school year. At exactly 8:00, the doors will open, and soon the once hallowed halls are buzzing with anxious students, eager not to start the school year, but to talk with their friends. For the most part, the first day of school means the start of nine months of intensive study; however, there are those few who consider the first day of school the beginning of a "jail sentence." For whatever reason they come, they come in style. Boasting new clothes and hairstyles, the PHS students report to their respective homerooms, where the official start of the new year will take place with the Pledge of Allegiance.

PRINCIPAL

Mr. Kenneth Lutz

He started his career at PHS teaching English in 1961 and was transferred to the position of counselor in 1963. He left the high school in 1965 to take a position as the Director of Guidance at the Warren County Technical Institute. In 1972, he transferred to Delaware Regional High School and served as the Director of Student Personnel Service. He returned to Phillipsburg High School as the appointed Principal in 1974.

Mr. Lutz graduated from PHS in 1953. His enjoyments in high school were the challenges of the academic classroom, athletics, and the office of Class President. After his graduation, he served in the United States Army. He started his college career at Moravian College and graduated in 1961. He continued his studies at Lehigh University and received a Master Degree in 1963. Before entering teaching and while earning his college education, Mr. Lutz was employed as an industrial machine operator at Bell and Howell Company.

Mr. Lutz has nothing but praise for our student body and states that each year brings a new respect for the young people of our high school.

Dear Class of 1987:

That's What Friends Are For is the theme for the yearbook of the Class of 87. Appropriately, my comments to you will be about friendship.

Friends, we all want them and we surely need them. Through our growing years, much of what we did and thought was determined by the people whom we chose to be our friends. We can recall the good times and the bad times which these friendships presented to us. As one matures, the true meaning of friendship crystallizes. We become partners in casual friendships that don't require much from us. But, to be a true friend is another matter. It has been said, "to have a friend you must be one first." I would also add that you must first be understanding. The key to friendship is understanding. With this, friendships become deeper and can last a lifetime. True friends value the difference in human beings and they are able to appreciate how that difference makes life more interesting.

You have far to go and I hope you find true friendship on the way. Remember to make new friends and keep the old. One is silver, the other is gold.

Congratulations on your graduation.

Sincerely yours,

Kenneth E. Lutz, Principal

A black and white photograph of a tree-lined path. The path is paved with bricks and leads into the distance, flanked by large, leafy trees. The scene is peaceful and nostalgic. Overlaid on the path are several musical notes, including eighth and sixteenth notes, some with stems, and a few larger, stylized notes. The text is written in a handwritten, cursive style.

KEEP SMILIN', KEEP SHININ', KNOWIN' YOU CAN
ALWAYS COUNT ON ME, FOR SURE, "THAT'S
WHAT FRIENDS ARE FOR!"

IN GOOD TIMES AND BAD TIMES, I'LL BE ON
YOUR SIDE FOREVER MORE. THAT'S WHAT FRIENDS
ARE FOR.
